CORPORATE OVERVIEW

Advanced Resource Technologies, Inc. (ARTI) is a CMMI Level 3, Service-Disabled, Veteran-Owned Small Business (SDVOSB) headquartered in Alexandria, Virginia. Since 1986, ARTI has established a reputation of exceeding customer expectations by providing comprehensive IT Operations and Management, Information, Network & Cyber Security, Health Information Systems, and Program Management & Logistics support to a wide range of Federal Government clients.

Throughout our history, we have continually demonstrated the flexibility and capacity to adapt to our clients changing requirements without the slightest decrease in the quality and efficiency of our support.

ARTI embraces an unwavering corporate commitment to excellence and draws upon the expertise and knowledge of our professional staff to provide integral solutions to our clients.

We focus on our customers, our employees and delivering solutions, while managing and securing information, people and technology.
