

VENESCO

Corporate Mission

Partner with clients through structured engagements to fully develop and support their planning, short-term and long-term project requirements.

Minority Disadvantaged,
8(a) Certified Small Business

ABOUT US

Founded in 2004, Venesco, LLC is an 8(a) CERTIFIED Small Disadvantaged Business (SDB) located near the Dulles Technology Corridor. Our employees have a combined 100+ years of government contracting experience.

OUR BUSINESS OFFERINGS

- ❖ **Administration & Management Consulting-** Venesco has "competent and qualified" Consultants to meet your specific consulting, program and project staffing needs.
- ❖ **Logistics Services** - Including areas of Project Control and Coordination of the Procurement & Logistics within IT, Medical and Construction projects.
- ❖ **Biomedical & Clinical R&D Services Program Management** - Venesco's experience includes 100 years of experience in management of Biomedical Services on various large contracts. Agencies include USAMRIID, MPMC, CBMS, ISR, NASA, BARDA and MLS
- ❖ **Construction Services** - Multiple Years of Experience including the design and installation of Secured Areas. We used this experience to further expand our offering in the hard construction of security areas.
- ❖ **IT Services** - If you need systems configuration, program/project management, IV&V, etc., Venesco has the expertise and product sourcing to meet your requirements.

OUR EXPERIENCE

- **Many Established Federal Government Customers:**
 - US Army
