Company Overview and Services

ICI LLC is a management support services consulting company committed to delivering expert advice with high quality service and providing a final product to its Clients that is consistent with PMI operational procedures and with ISO-9001 and ISO-14000 quality standards.

Our strengths are in project management and technical support services focused on facilities and healthcare.

For facilities this includes:

- Facility condition assessments for energy efficiency audits and renovation project programming/planning and to establish life-cycle maintenance and repair programs
- Construction supervision and observation with contract management and negotiation of change requests
- Preparation and review of EA and EIS reports/documents in accordance with NEPA regulations

For healthcare this includes:

- Review, analysis and development/update policies, procedures and standards for patient-centered care and effective healthcare delivery
- Evidence-based analytical review of safety, efficacy and economic effectiveness of health technologies (medical devices, pharmaceuticals, medical and surgical procedures, diagnostic tests and complimentary or alternative therapies) to make informed decisions related to their coverage and use by healthcare providers and patients
- Medical equipment planning and value engineering

Business Profile and Significant Events

ICI LLC is registered for US Government contracts with DUNS Number 965349082 and CAGE Code 66RC6 to provide services under the following NAICS Codes:

541611 - Building Inspection Services
541620 - Environmental Consulting Services
541350 - Administrative Management and General Management Consulting Services
