SCA was founded in 2004 by James M. Galligan, a retired U.S. Army Chief Warrant Officer. Mr. Galligan successfully built the company by hiring fellow veterans who shared the same guiding principles and team methodologies gained from serving our country. SCA's goal is to provide quality products and services either directly through our staff, or by partnering with other highly qualified Veteran Owned and Small Disadvantaged Business partners. SCA serves as a leading support services organization with global reach that caters to government agencies as well as corporate clients. We offer a full spectrum of support services needed to maintain, expand, protect and/or improve your facility. SCA provides innovative solutions, and delivers first rate craftsmanship and project stewardship throughout to ensure our clients' expectations are not only met, but exceeded.
