Rapid Response Superior Service Vigilant Focus

About Us

RSI is a Service Disabled Veteran Owned Small Business (SDVOSB) established in May 2012 that serves the security and intelligence community and the requirements of their mission in the DOD, federal, state, and local government sector. RSI brings more than 33 years of experience with the DOJ/DEA/DOD (combined) in law enforcement, military intelligence and security operations. We accomplish this by providing highly qualified personnel with the proper training and expertise whose primary goal is the success of the mission.

Mission

We strive to provide Rapid Response, Superior Service, and Vigilant Focus to meet the challenge of our clients' mission utilizing the latest practices in technology, consulting, training, management, linguistic and administrative support services to meet the daily challenges which face the DOD, law enforcement and intelligence communities across the world in an evolving global threat environment, particularly in counter-terrorism, counter-intelligence, counter narcotics, surveillance and monitoring Title III operations.

Vision

RSI's primary focus is to serve our clients, to lead and be recognized for our commitment to apply superior service and integrity to accomplish every mission by;

"Doing it Right the First Time"
