

Straughan Environmental, Inc.

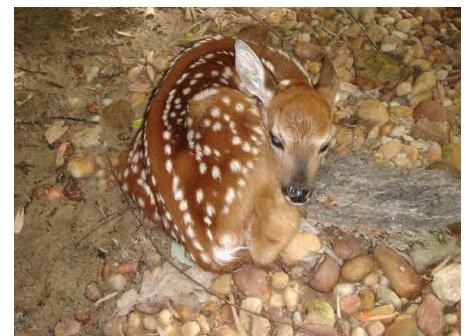

creating a sustainable world

Straughan Environmental, Inc. (Straughan) is a company of scientists, engineers, planners and ecological professionals aligned to support development, while improving the human and natural environment. Founded in 1995, Straughan promotes a multi-disciplinary approach to environmental assessment, planning, and design. With numerous projects throughout the Mid-Atlantic area, we have thorough knowledge of local, state, and federal regulations and procedures.

Straughan is registered as a woman-owned small disadvantaged business (WOSB) and is a Minority Business with various state agencies, including the Maryland Department of Transportation (Certification No. 97-190).
