

COMPANY OVERVIEW

eTRANSERVICES is a provider of cost saving enterprise transformational services for government organizations. Our core competencies are Strategic Information Technology (IT) Consulting Services, Enterprise IT Services, Application & Web Services, and Program & Acquisition Support Services. These are areas we feel will enable the agile transformation of most IT portfolios. We use an enterprise architecture framework and service delivery methodology that enable our clients to benefit from innovative technologies, measurable success, and a franchised methodology that leads to predictable outcomes focused on lowering costs, decreasing service delivery times, and meeting organizational goals.
