Capabilities Statement

IEA at a Glance

Ian, Evan, and Alexander Corporation (IEA) is a Service-Disabled Veteran-Owned Small Business (SDVOSB) that specializes in program management, technical support services, and professional staffing. Founded in 1999, IEA is registered with the Central Contractor Registration (CCR) and Online Representations and Certifications Application (ORCA). IEA holds several valuable contract vehicles with an award-winning track record of performance to multiple federal agencies. Our experienced team has received quality awards in recognition of technical and program management support provided on programs critical to national security.
