

The Lodging Kit Company is a 24-year old company headquartered in upstate New York. There are three distribution centers-New York, Florida, and Nevada. It is a verified by the VA Veteran Owned Small Business. The three owners are Ken Martin and his two sons-Eric and Kent Martin. They own 100% of the company. All three are Marine Corps veterans, Ken seeing duty in Vietnam as an infantry platoon leader and Eric and Kent serving seven years each on active duty. Kent is an Iraqi Freedom veteran,

The company is a distributor of housewares (cookware and dinnerware sets, flatware, small appliances, etc.), linens (sheets,towels, blankets, etc.), and hotel operating supplies (hangars, in room coffee makers, iPod holders, irons, ironing boards, etc.).

Recently we have partnered with a very large linen supplier to the healthcare industry. Their extensive line will dovetail nicely with the VA healthcare system offering substantial quality merchandise at very competitive pricing. The line consists of apparel (gowns, scrubs, etc.), blankets, hamper bags, incontinence products, mattresses, napery, sheets, terry, etc.

The Lodging Kit Company has a GSA contract. We have a contract to sell house ware and linenkits to the State Department (DOS). For over 20-years many military bases have ordered from us. At times, unfortunately, we have been called in to help government and NGO's in disaster relief efforts as in Katrina and the Haitian earthquake.

We are a proud company actively seeking business. You will find us to be a strong partner committed to customer satisfaction and adhering to very high standards.
