

# All-hazards Solutions

*A Limited Liability Company*

**Ensuring the continued function and resilience of capabilities and assets**

**All-hazards Solutions LLC** is a Service Disabled Veteran Owned Small Business headquartered in Culpeper, VA offering services to commercial and government clients. We combine unique operational knowledge and experience, problem-solving skills, deep technical understanding and strong execution to help our customers achieve success. All-hazards Solutions was established to provide unparalleled support, combined with effective cost-avoidance strategies to ensure resilience of customer capabilities and assets.

## **MISSION STATEMENT**

Our mission is to be the premier All-hazards services company focused on saving lives and property. We seek to partner with our customers as we provide opportunities for growth and enrichment to our employees, our business partners and the communities in which we operate.

## **VISION STATEMENT**

Our vision is put into action through programs and a focus on fiscal responsibility, activities to ensure the continued function and resilience of our customer's essential capabilities and assets.

All-hazards Solutions' leadership has vast experience with large and small government programs. Our staff is comprised of Subject Matter Experts with significant experience in key Federal Government initiatives, program acquisition, program plans, and a multitude of operational and technical practices. Our cleared, professional and experienced staff holds certifications in the fields of Program Management, Law Enforcement, Security Management, Safety Management, Continuity of Operations and Emergency Management.

**Functional and Operational support** is provided for Critical Infrastructure Protection; Continuity of Operations; CBRNE Detection and Defense; Anti-Terrorism and Force Protection; Occupational Health and Safety; Emergency Management; Public Safety and First Response; Physical and Industrial Security; and Cyber Security.

**Program and Technical support** is provided for Basic and Applied Research; Requirements Generation and Validation; Exercise Development and Execution; Program Management; Policy and Plan Development; Risk, Threat and Vulnerability Assessments; Systems Engineering; Certification and Accreditation; Staff Augmentation; and Process Improvement.

In today's world of economic instability, customers cannot afford to spend limited funds on second-rate service or poorly developed solutions. All-hazards Solutions recognizes solid customer service and quality assurances are the cornerstones of any successful endeavor. Through partnering with our customers, academia and non-government organizations, our qualified, certified and cleared professional staff is ready to help our customers succeed.
