

A Service Disabled Veteran Owned Small Business

## WHY USE FOUR POINTS TECHNOLOGY?

Four Points Technology, LLC is a CVE-verified Service Disabled Veteran Owned Small Business (SDVOSB) delivering technology solutions to our Government customers around the world. We partner with top manufacturers and software companies to provide our customers with leading edge information technology solutions.

As a Federally-focused prime contractor, Four Points Technology offers a strong contract portfolio that includes Government-wide contracts such as GSA Schedule 70 and SEWP IV as well as multiple agency-specific IDIQs and BPAs. Our disciplined approach to the management of product delivery and ancillary services provides access to the latest technology in an environment that supports rapid implementation, clear productivity gains, and short ROIs.

Four Points Technology supports a full range of IT products and services from hundreds of suppliers. As an ITVAR, Four Points Technology aims to help our customers maximize their resources and build an effective and efficient technology solution with a focus on:

- Data Center Infrastructure (consolidation, virtualization, and cloud migration).
- Mobility (equipment, enabling software, and support services)
- Security (end-to-end solutions providing prevention, detection, remediation, and governance).
- Medical Information Technology (equipment, systems, and software that brings the power of technology to health care delivery and management).

Four Points Technology offers our customers and vendor partners dedicated contract management, strong program management, and a Federally-focused sales and business development team that specializes in delivering leading edge technical solutions for real-world Government initiatives.
