

Company Overview

All Points is a rapidly growing service-disabled veteran-owned small business (SDVOSB) providing mission critical services to a diverse set of Federal Government Civilian and DoD Agencies. Founded in 1997, All Points is headquartered in Merritt Island, FL and has major operations sites in Reston, VA; Atlanta, GA; Huntsville, AL; and Houston, TX, and holds a Security Posture of TS/SCI Facilities Clearance.

All Points provides a highly qualified team of high-end technology and business consultants focused on bringing demonstrable value to our clients. Our professional service team averages over 20 years of information technology and security experience and nearly all possess graduate level degrees. All Points Team draws their experience from firms such as NASA, Honeywell, Digital Equipment Corporation, KPMG, Merrill Lynch, UNISYS, and the U.S. Government. All Points markets and supports various Fortune 2000 corporations, federal and state

governments, delivering professional services to Government and commercial customers by providing high quality solutions unique to each customer environment. All Points is adept at providing technical and management support services to the U.S. Government and its prime contractors. A recognized leader in logistics management,

With five primary lines of business:

- Engineering and Technical Services
