Overview of Sodexo's Capabilities

Sodexo is the leading Quality of Life services company serving more than 15 million consumers at 9000 client sites daily across the continental United States offering Facility Management, Food Services, and Energy and Construction Services to our customers. We are the 18th largest employer worldwide, with more than 420,000 employees. Our clients within the Department of Defense and Federal Government sector include the United States Marine Corps, US Army Medical Command, US Navy, US Air Force, General Services Administration, multiple Federal Intelligence Community organizations, and the Department of Homeland Security.

Facilities Management: We provide innovative and comprehensive service facilities management solutions that improve the quality of daily life to more than 34,300 client sites in 80 countries. Over 1,371 of these sites are currently Operations and Maintenance, Utility and Energy Management, Engineering, Construction and/or Clinical Technical Equipment Maintenance services.

Food Services: Sodexo is the largest provider of food services to the Government with more than 40 years of relevant experience. Examples of our work include Over a decade of experience serving as the Regional Garrison Food Services (RGFS) contractor at 54 United States Marine Corps (USMC) mess halls; Food services at more than 600 university campuses across the United States; nutrition care services at nine U.S. Army Medical Command (MEDCOM) Medical Treatment Facilities (MTFs), and special event/ formal dining experience at high-profile venues such as the Royal Ascot races, the Marine Corps Marathon, and the Olympic and Paralympic Games for several consecutive years.

Construction Services: For over 30 years, Sodexo has helped clients construct and operate their facilities more efficiently and effectively through our network of key technical professionals. In the United States, Sodexo's Project Management Department includes more than 30 in-house experts encompassing a complete range of design and construction specialties. Projects typically range from \$500,000 to \$30 million. In the past three years alone, Sodexo's has completed more than 250 projects representing over \$350 million in project costs. Our experience includes unique owner representative services, renovation projects, Infrastructure Renewal projects and much more.
