CAPABILITIES OVERVIEW

PROFESSIONAL SOLUTIONS DELIVERED, LLC

September 2014

ABOUT US
Professional Solutions Delivered, LLC

VISION: To strengthen our position as the solution provider of choice to both government and commercial customers in the areas of logistics, program management, systems integration, and IT support services.

MISSION: To deliver *expert and dependable logistics*, program management, systems integration, and IT support solutions that *meet and exceed our customer's requirements*. Through our extensive industry knowledge, we will surpass expectations and *create long lasting relationships* with both customers and teammates. *Our employees are the bedrock* of our professional and mission-focused approach.

CORPORATE PHILOSOPHY:

- Our day isn't over until our customer is ready for tomorrow
- Our customers tell our story!
- Do the right things for the right reasons
- Our employees are our most valuable assets
- Quality is continuous
