Lynch Consultants consistently provides responsive, high-quality, and expert services and solutions to Federal and commercial organizations.

- Accounting
- Financial Management
- Program Management
- Performance Improvement

Established in 2011, exceeded firm's goals for first three years of “managed growth,” with continued focus on:

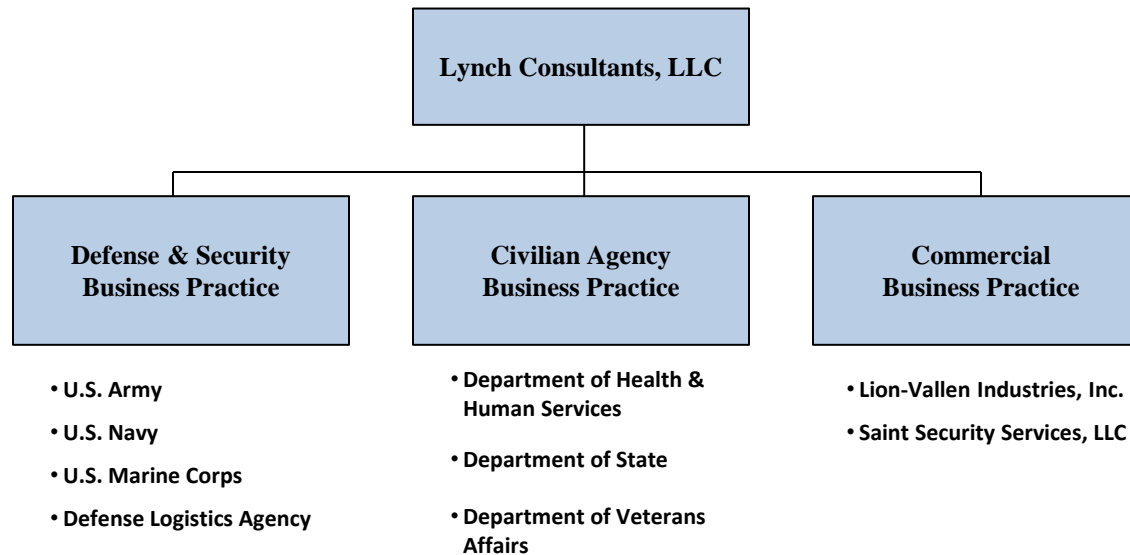

- 1) Responsive service delivery at competitive rates;
- 2) Satisfied clients, with impression that Lynch Consultants “over-delivers;”
- 3) Talented staff with increasingly diversified skill sets; and
- 4) Targeted growth, with emphasis on building industry expertise and success stories.

“Lynch Consultants was on target with its policy analysis, analytical recommendations, and policy updates. I hope I have the opportunity to work with the firm again.”

Rhonda Shaffer-Foster, Office of Finance, Department of Veterans Affairs
