

Connecting the Right Dots

Creative Business Solutions, Inc. is a Management and Information Technology Consulting Firm

Government, private sector, and nonprofit entities are challenged to exceed their goals with fewer resources. Entities need a reliable/dedicated partner that will work as a team to provide effective and efficient solutions.

Creative Business Solutions (CBS), Inc. professionals are proven experts and industry leaders with decades of expertise and experience in the field of financial services (including accounting, auditing, budgeting, cost allocation/estimating, and internal controls, etc.), program/project management (including EVM), logistics, information technology (including Information Assurance (I/A), Cyber Security, Database Administration, System/Network Engineering, etc.), risk management, business analytics, and contract administration (including construction). CBS is a thought leader in the areas of pre-post contract administration and grants management; and, we provide SME with extensive Federal/Defense Acquisition Regulation (FAR/DFAR) knowledge and credentials. Visit our website (www.cbsxcels.com) to see other offerings/capabilities that we offer.

CBS – An award winning company that thinks big and delivers big results!
