

One Partner to Support Your Complete Revenue Cycle

Since 2004, Signature Performance has built an outstanding reputation with federal and commercial clients. From our headquarters in Omaha, NE, our experience includes end-to-end revenue cycle services and solutions to over 200 federal healthcare facilities nationwide.

Focused on Quality

We offer a proven track record of successfully adapting industry best practice standards to the federal sector, resulting in significant efficiencies and optimizing performance for the VA and DoD.

*Signature's average quality assurance
accuracy remains above 97.5%*

Our history of proven results combined with outstanding service will benefit your organization. Whether you are in need of front, middle or back end revenue cycle services, we bring proven experience, a strong reputation and superior results to sustain a successful, long-term partnership.

Federal Clients

- Department of Veterans Affairs (VA)
- Defense Health Agency (DHA)
- Department of the Army
- Department of the Air Force
- Department of the Navy

At Signature, our job isn't done until we've helped you succeed.
