

People, Performance, Partnership

G2 Innovative Solutions, Inc. (G2IS), based in Fairfax, Virginia is a CVE verified Veteran Owned and SBA 8(m) certified Woman Owned Small Business. G2IS provides successful leading edge technology management solutions to client organizations to help them keep pace with the rapid evolution of technology. G2IS service offerings are designed to realize optimal results by employing industry standards and best practices while ensuring on time delivery and cost effectiveness. Using our in-depth knowledge and understanding within various IT capacities, our goal is to provide our clients with state-of-the-art service, support and solutions to ensure lasting technological success. We understand implementing successful IT technologies on both the hardware and software sides of operations can greatly impact the performance of a business. Our purpose is to assist organizations in strategic planning, design, deployment and on-going support to ensure long lasting IT effectiveness.

G2IS prides ourselves providing precise and expert solutions, developing partnerships, sharing information, and delivering excellent services with integrity, technical expertise, and agility.

We ensure our clients will benefit from the right solutions, whether it be program management or software and database design. We deliver innovative technology and solutions to our clients and set the standard for excellent customer service.

G2IS' clients include Department of Veterans Affairs (VA), U.S. Air Force (USAF), Department of Homeland Security (DHS), and Federal Deposit Insurance Corporation (FDIC).
